## **DETAILED ACTION**

### ***Response to Amendment***

Amendment received on 08/08/2006 is acknowledged and entered. Claims 1-16 have previously been canceled. Claim 23 has been amended. Claims 17-36 are currently pending in the application.

Claim Rejections under 35 USC § 112 have been withdrawn due to the applicant's amendment.

### ***Response to Arguments***

Applicant's arguments with respect to Claims 17-36 have been considered and found persuasive. Therefore, claim rejections under 35 USC § 103 have been withdrawn.

### ***Claim Objections***

Claims 17-36 are objected to because the claim language as recited include certain deficiencies and uncertainty which can raise 35 USC § 112 issues.

Appropriate correction is required.

During the telephone interview with applicant's representative James D. Wood (Reg. No. 43,285) on October 18, 2006 the claim language was discussed. Examiner pointed out certain deficiencies in claim language which can raise 35 USC § 112 issues.
